

# NanoX-Change 2021

## Battery Research

**April 13<sup>th</sup> Input Session**

10.00 to 10:30 Industrial X-Ray & CT Scanning Solutions

**April 27<sup>th</sup> Practical Session**

10.00 to 10:30 Industrial X-Ray & CT Scanning Solutions

**Note:**Participation of Practical Sessions only after attending the Input Session

## Food Industry

**April 14<sup>th</sup> Input Session**

10.00 to 10:30 Timegated Raman Technology

**April 28<sup>th</sup> Practical Session**

10.00 to 10:30 Timegated Raman Technology

**Note:**Participation of Practical Session only after attending the Input Session

## Online Seminars:

## Drug Discovery & Development

**April 21<sup>st</sup> Input Session**

10.00 to 10:30 Optical Photothermal Infrared Spectroscopy

**May 05<sup>th</sup> Practical Session**

10.00 to 10:30 Optical Photothermal Infrared Spectroscopy

**Note:**Participation of Practical Session only after attending the Input Session
